

10th International Congress of the Growth Hormone Research Society

May 10-11, 2024 - Stockholm, Sweden

Guidelines for abstract submission

Abstracts for this congress must be submitted by email to GRS at grs@clin.au.dk

- Your abstract and its title must be submitted in English. Your abstract may be automatically rejected if it is submitted in another language.
- Note that – different from the ECE guidelines – abstracts submitted to this GRS congress must include title and author names!
- Your abstract must be submitted as a PDF document.
- Your abstract must be a maximum of 400 words.
- Figures should not be included in your abstract
- References and tables can be included in your abstract, but they will be included in your word count.
- **If you want to apply for a travel grant from GRS for your abstract, please indicate this in your email when submitting the abstract.**
